The London Criminal Courts Solicitors' Association was founded in 1948 and has a proud history of representing and furthering the interests of lawyers who practice in the criminal courts. Members are prosecutors, defence litigators (solicitors and non-admitted lawyers) and solicitor advocates. Honorary members include Circuit Judges and District Judges. All share the Association's primary objectives: to encourage and maintain the highest standards of advocacy and practice; to participate in discussions on developments in the criminal process; to represent and further the interests of criminal lawyers on any matters which may affect those practising in the criminal courts; and to improve, develop and maintain the education and knowledge of those actively concerned with the criminal courts.

Solicitors no longer have to pay commercial rates on a legal aid income! Full membership costs just £75 per year. Police Station Representatives and Paralegals are also welcome, at discounted rates

In accordance with the terms of the Standard Crime Contract July 2010 Specification A 6.56, all staff undertaking police station duty solicitor work must carry an identification card as specified by the Legal Services Commission.

Cards issued by the LCCSA have the holder's photograph digitally imprinted and are renewed annually for added security.

The cost of the card is included in the annual membership subscription. For non-members, an annual fee of £36 is charged.
