

VIGIL FOR JUSTICE

Wednesday 18 April 7–8pm
Outside the Ministry of Justice
102 Petty France, London SW1H 9AJ
(near St James tube)

Our justice system is in crisis. Cuts to legal aid mean too many people are being priced out of justice. Staff are paying the price for unprecedented budget cuts and privatisation with thousands of job cuts since 2010. It's time to fight to save our justice system. **Join the vigil for justice.**
