THEMES / QUESTIONS

Please respond to any of the below on which you feel strongly and have a good story to tell.

Complete the attached form and then please send your video clip, or your audio clip and a photo to solicitorsvoices@lccsa.org.uk.

Please keep your contribution to under 90 seconds. We know 90 seconds isn't long, but please try to stick to this. We are looking for contributions which can be included on the new website, within the twitter campaign and within the film. So short is very, very, sweet. As lawyers, though we love to talk, we should also be able to be very, very, succinct.

Please don't forget the 'LCCSA-Romans' question at the end. We need to celebrate ourselves a little here.

We will send out contributions using additional hashtags to allow conversations (hopefully) to develop on twitter.
